Background Context

This is the twentieth quarterly mandate maintenance report produced by the Ngatiwai Trust Board (NTB) for the Crown (Te Arawhiti) following the Crown's recognition of the NTB Deed of Mandate (DoM) on 21 October 2015.

The purpose of this report is to document the work undertaken by the NTB to maintain its mandate and in particular to demonstrate its ongoing commitment to continually improve its communications and engagement with Ngātiwai members so as to keep members properly informed about the negotiations and Treaty settlement journey.

Mandate Maintenance requirements

Section 55 of the Deed of Mandate states:

“The NTB will ensure that Ngātiwai members are kept regularly informed and updated on negotiations progress through:

- monthly newsletters/e-panui and website with regular updates*
- hui or wananga on particular topics will be held regularly through the year*
- the AGM or a Special General Meeting where the need arises (i.e. to present an iDoS and a proposal for a PSGE to the claimants community for approval and ratification)*
- Negotiators will also be required to report to Te Iwi o Ngātiwai on negotiations as required by the NTB (see page 22)*
- monthly Board meeting summaries to be released following each meeting providing regular updates on matters under discussion by the Board and*
- Three additional hui-a-iwi (in addition to the AGM) in total providing quarterly opportunities for engagement and discussion.*

The focus will be on the progress of negotiations.”

Section 56 of the Deed of Mandate states:

“The NTB will provide regular three monthly reports to OTS to maintain the mandate. It will include information about:

- communications with Ngātiwai (i.e. newsletters/e-panui, hui or wananga, website and Facebook updates),*
- any AGMs or SGM held within the reporting period, and*
- any other points of interest related to the progress of negotiations.”*

While it is acknowledged that the OTS have a standard form for mandate maintenance reports this report covers those requirements and builds on the previous commitments made by the Board in its Engagement and Communications Plan dated 13 December 2014. For this reason it includes a brief summary of progress made towards achieving specific objectives established in December 2014.

Issues Arising

Terms of Negotiation

1. Completion of Terms of Negotiations (ToN) were paused pending the outcome of the Ngātiwai Mandate Inquiry by the Waitangi Tribunal and remain paused until mandate mediation is complete.

Mandate Mediation

2. On 4 July 2020, at the Board's AGM a letter was read out and tabled from Pereri Mahanga, Chairman & Claims Facilitator on behalf of Te Waiariki, Korora, Ngati Takapari Hapu, Iwi, Uri as follows:

“Descendants of Te Waiariki, Ngati Korora, Ngati Takapari Hapu Iwi, met on 28th of June 2020. A motion was tabled on whether to accept or reject Ngatiwai Trust Board to represent Te Waiariki, Ngati Korora, and Ngati Takapari Hapu iwi interests regarding our rohe. The vote to respectfully reject was unanimous amongst our people thus the motion was carried.

Te Waiariki, Ngati Korora and Ngati Takapari Hapu Iwi wish to represent our own interests in our own Rohe as demonstrated in our Whakapapa.”

3. On 13 July 2020, the Treaty Claims Committee had a preliminary meeting with representatives of Patuharakeke Trust Board to discuss the proposed mediation. An outcome from that meeting was that PTB legal counsel would follow up with the Waitangi Tribunal to see what options were available to access one of the panel members or judge to be a potential mediator.
4. On 21 August 2020, the Board received confirmation from the Crown that \$40k advance funding would be made available to help get mediation underway.
5. On 28 September 2020, legal counsel for Patuharakeke advised that while some inquiries had been made work was still in progress to find a mediator.
6. On 21 September 2020, the Board received an e-mail from Rose Wellington on behalf of the Kaumātua Roopu o Ngati Takapari as follows:

“At a Ngati Takapari hapū hui held 20 September 2020 a resolution was passed unanimously,

“We Ngati Takapari hapū withdraw from the Te Waiariki Ngati Korora Ngati Takapari Hapu/Iwi Trust due to lack of confidence in the Trust.”

This is to take effect immediately therefore the Te Waiariki Ngati Korora Hapu Trust no longer have a mandate to speak on behalf of or for Ngati Takapari.

We of Ngati Takapari maintain and protect our people, lands, wāhi tapu, waterways, airways, including our taonga, and seek to deal with environmental issues including those matter that Ngati Takapari may think and see fit to deal with....”

Notes about progress:

7. Work in progressing mandate mediation has been significantly limited due to the amount of time and focus the Board has put towards dealing with overlapping claims (see below) and to a lesser extent MACA related matters.
8. From 12 August to 21 September 2020 the COVID-19 Level 2 lockdown restricting gatherings to 100 people with social distancing requirements and other measures continued to impact the holding of hui. While some were able to hold hui using modern technology such as zoom others struggled to hold any hui at all particularly in remote locations where internet coverage is still limited.

Overlapping Claims

Hauraki Overlapping Claims Proposal

9. On 13 May 2020, the Board sent letters to all Hauraki groups with overlapping claims setting out a proposed process for resolving disputed redress consistent with tikanga as recommended by the Waitangi Tribunal.

Preparation hui

10. During April, May and July the Board held several hui (some via zoom) with Ngatiwai Kaumātua tikanga experts to discuss the Tribunals report and what does a tikanga based process look like given the situation we are in now.

Te Arawhiti hui

11. On 9 July 2020, a hui was held in with Crown officials in Whangarei to discuss the findings of the Waitangi Tribunal report, what the Crown's views were on the report particularly in relation to supporting a tikanga process. The Board requested an apology for the trauma it had been subjected to during the Crowns overlapping claims process and the urgent hearings that followed. Funding was also requested for the process going forward as well as a contribution as a show of good faith for the expenses that have been incurred to date. The importance of talking about the interests of each group as recommended by the Waitangi Tribunal was emphasised as an important step in the process.

Ngati Hako

12. Hako have indicated (via the Crown) that they are agreeable to the proposed process when they are available.

Ngati Manuhiri hui

13. On 28 May 2020, the Board attended and supported a hui in Warkworth between Ngati Manuhiri and Hauraki groups. The Board took the opportunity to clarify the proposal set out in its letter of 13 May 2020 and to seek agreement on that process from Marutuahu groups.

Ngati Paoa

14. On 11 June 2020, the Board hosted a delegation from Ngati Paoa Iwi Trust to discuss overlapping claims and the development of a possible kawenata.
15. On 10 August 2020, the Board attended a hui hosted by the Ngati Paoa Negotiator in Auckland to discuss their Protocol Area, their interest north of Whangaparoa and approach to resolving matters possibly by changes to the redress and/or a kawenata.
16. On 17 September 2020, the Board hosted a follow up hui with the Ngati Paoa Negotiator and kaumātua to continue discussions about their Protocol Area north of Whangaparoa.

Ngati Whanaunga

17. On 10 September 2020, the Board attended a hui hosted by Ngati Whanaunga in Devonport, Auckland to discuss a tikanga process for resolving their overlapping claims on Aotea. At that hui a tentative date was set down for 6 and/or 7 November 2020.
18. Preliminary steps have been taken to organise hui on Aotea with Ngati Whanaunga.

Other Hauraki Iwi and Collectives

19. The following Hauraki Groups have yet to be engaged to discuss their interests and redress in the overlapping area: Ngati Maru, Ngati Tamatera, Te Patukirikiri, the Marutuahu Collective and the Hauraki Collective.

Marine and Coastal Area Act (MACA)

Waitangi Tribunal Kaupapa Inquiry

20. On Monday 28 September 2020 the Board presented its opening submissions and witness statements in Stage 2 of the Marine and Coastal Area Act Kaupapa Inquiry (Wai 2660).
21. These hearings were held at Whitiara Marae, Te Tii, Kerikeri where our witnesses Aperahama Kerepeti-Edwards, Hori Parata and Keri Volkerling presented their evidence and responded to cross examination questions as a panel.

High Court Application Process

22. On 29 July 2020, the Board responded to a letter from Te Whanau a Rangiwhakahu Hapu Trust confirming the Board resolution:

“That the Board formally agree to any rights able to be won under the MACA Act, via the Boards applications, will be held at the local whanau or hapū level and not with the Board or any Trustees.”
