Background Context

This is the seventh quarterly mandate maintenance report produced by the Ngātiwai Trust Board (NTB) for the Office of Treaty Settlements (OTS) following the Crown's recognition of the NTB Deed of Mandate (DoM) on 21 October 2014.

The purpose of this report is to document the work undertaken by the NTB to maintain its mandate and in particular to demonstrate its ongoing commitment to continually improve its communications and engagement with Ngātiwai members so as to keep members properly informed about the negotiations and Treaty settlement journey.

Mandate Maintenance requirements

Section 55 of the Deed of Mandate states:

“The NTB will ensure that Ngātiwai members are kept regularly informed and updated on negotiations progress through:

- *monthly newsletters/e-panui and website with regular updates*
- *hui or wananga on particular topics will be held regularly through the year*
- *the AGM or a Special General Meeting where the need arises (i.e. to present an iDoS and a proposal for a PSGE to the claimants community for approval and ratification)*
- *Negotiators will also be required to report to Te Iwi o Ngātiwai on negotiations as required by the NTB (see page 22)*
- *monthly Board meeting summaries to be released following each meeting providing regular updates on matters under discussion by the Board and*
- *Three additional hui-a-iwi (in addition to the AGM) in total providing quarterly opportunities for engagement and discussion.*

The focus will be on the progress of negotiations.”

Section 56 of the Deed of Mandate states:

“The NTB will provide regular three monthly reports to OTS to maintain the mandate. It will include information about:

- *communications with Ngātiwai (i.e. newsletters/e-panui, hui or wananga, website and Facebook updates),*
- *any AGMs or SGM held within the reporting period, and*
- *any other points of interest related to the progress of negotiations.”*

While it is acknowledged that the OTS have a standard form for mandate maintenance reports this report covers those requirements and builds on the previous commitments made by the Board in its Engagement and Communications Plan dated 13 December 2014. For this reason it includes a brief summary of progress made towards achieving specific objectives established in December 2014.

Issues Arising

1. Terms of Negotiation and Urgent Hearings

- Completion of Terms of Negotiations are paused pending the outcome of the Ngātiwai Mandate Inquiry by the Waitangi Tribunal. The Board now awaits a report on the Tribunal's findings and any recommendations.

2. Overlapping Claims with other Iwi / Large Natural Groupings

- On 24 July 2017 the Trust Board filed an application for an urgent inquiry into the Crown's settlement policy regarding overlapping claims and the proposed redress in relation to the:
 - Hauraki Collective,
 - Marutuahu Collective and
 - Individual Hauraki iwi settlements.
- The information is available on the Ngatiwai Trust Board website and includes:
 - An application for an urgent hearing
 - A statement of claim filed by Haydn Thomas Edmonds
 - Affidavit of Haydn Thomas Edmonds
 - Affidavit of Aperahama Kerepeti-Edwards
 - Affidavit of Ropata Diamond
 - Affidavit of Hori Parata
 - Affidavit of Tania McPherson

3. Marine and Coastal Area (Takutai Moana) Act

- The Board sought to become an interested party to several applications filed with the Waitangi Tribunal for an urgent hearing into the prejudice created by this legislation.
- The Waitangi Tribunal decided to grant priority for a kaupapa inquiry into the Marine and Coastal Area (Takutai Moana) Act rather than an urgent inquiry on 25 August 2017.

Communications and Engagement with Ngātiwai Whanui

1. Open Door Policy and Face to Face Engagement Hui

Progress on this objective has been maintained.

2. Monthly Board Updates and Newsletters

Monthly Board meeting summaries are now regularly posted to our website and facebook pages in a timely manner following each Board meeting. They are also included in our newsletter which is then sent out to our Kaumātua by post.

3. Trust Deed Review

The Trustees have asked the review group to clarify certain matters in the report. However, the review group has suffered by loss of membership which have dwindled. The Trust Deed review was also a matter that came up in the Ngātiwai Mandate Inquiry. As that report is now due it may be prudent to await any relevant findings and recommendations on this point.

4. Wananga Planning for PSGE

At this point the wananga is to be held-off until the Waitangi Tribunal reports on its findings and any recommendations resulting from the Ngātiwai Mandate Inquiry. In the meanwhile Hui a iwi will continue to workshop PSGE representative options.

5. Quarterly Hui-a-Iwi

The Hui-a-iwi was held on 29 July 2017 at Ngunguru Marae, Ngunguru. The hui discussed overlapping claims with Hauraki/Marutuahu Iwi, MACA and the Trust Boards urgent hearing application which was filed on 24 July 2017.

6. Finalise the Strategic Communications Plan

The plan has been completed and is available on our website for public view.

7. Review, refine and maintain the current database

Regular address updates and new registrations continue to be promoted and received.

The total number of registered members as at 31 July 2017 is 7833 (with 28 pending registrations). This is an increase of 117 registered members within the quarter.

The percentage of registered members who are recorded as without a known postal address or are recorded as Gone-No-Address (GNA) is 13.52 % which is a slight but steady improvement on past reports.
